Australian National Flag Day 2022

The Australian National Flag is a symbol of our nation. The flag is instantly recognisable and a strong presence in our lives.

For more than 30 years the Australian National Flag Association has helped increase Australians' awareness of the history and significance of our foremost national symbol.

Each year, on Australian National Flag Day, the 3rd September, the Association actively encourages communities the length and breadth of Australia to hold a special flag raising ceremony and/or for citizens to wear a flag badge. I thank the many volunteers at the Association for their valuable work.

I encourage all Australians on Australian National Flag Day 2022 to look to their flag and our nation with immense pride and in the knowledge that together we can achieve great things and overcome any challenge.
